NOTICE TO THE MARKET

COSAN LIMITED (NYSE: CZZ) (“Cosan” or “Company”), has published today its 2017 Sustainability Report. Aligned with the market’s rising awareness on Environmental, Social and Governance (ESG), this publication is based on the guidelines of the Global Reporting Initiative (GRI) and discloses group’s key information and initiatives regarding sustainability.

Note that for the first time, we launched individual documents for each of the businesses (Raízen, Comgás, Moove, and Rumo) along with Cosan’s report. This initiative strengthens our commitment to further improve transparency and communication with all stakeholders, highlighting relevant aspects across all operational segments.
